ORDER VEGETABLES for DELIVERY ON Friday Sept 15

Dear Friends

What a year of natural disasters! Droughts, fires, floods, heat, now hurricanes. I'm sure there is a biblical reference here somewhere.

For the first time this year, we have plenty of vegetables for sale. Especially Greens! We are making a special delivery trip ahead of the storm. Storm veggies! **And yes! Garlic is ready!**

Simply, hit reply and let us know how many of each veggie you would like, and where you would like to pick up your delivery on Friday, Sept 15. (See below for delivery times and locations)

If you were a regular email buyer last year, we have missed you!
